April 27, 28, 29

Henry Coe is the largest state park in Northern California. It was recently saved from closure! Working with the Pine Ridge Association and Responsible Organized Mountain Pedalers (ROMP), we'll reroute a section of the Jim Donnelly trail for hikers, bikers, and equestrians to make it less erosive and more accessible and sustainable.

Children 14 and over are welcome on V-O-Cal projects. Volunteers under 16 must be accompanied by an adult.

If you can't make this date, come to another one of our projects in SF, the East Bay, Napa, or Big Sur.

Check out details and register at www.v-o-cal.org.
